SAF Announces 77 Winners of 2016 Circle of Success Scholarships

Nonprofit Student Assistance Foundation (SAF) recently awarded \$1,000 Circle of Success scholarships to 77 Montana students, bringing the total amount of funds distributed through this program to \$689,000.

Of those scholarships, 52 were awarded to Montana postsecondary students to help them continue their education in the 2016-17 academic year. The remaining 25 scholarships were provided to high school seniors attending one of 58 Graduation Matters Montana (GMM) schools, and members of Superintendent Denise Juneau’s GMM Student Advisory Board.

“Every student should have the option to attend college and Student Assistance Foundation makes that possible for more Montana students,” Juneau said. “When our students succeed, all Montanans benefit.”

In addition, 2016 marked the first year that one of the Circle of Success scholarships was awarded to a qualifying student who is serving, or has served, in the U.S. Armed Forces — Robert Brook of Helena. This scholarship is delivered in memory of retired Staff Sgt. Carl Valvoda who passed away in 2015 following a courageous battle with brain cancer. Valvoda’s mother, Glenda, works at SAF, and his wife, Jamie, worked at SAF for several years.

“It is SAF’s privilege to be a part of the higher education funding solution for these dedicated Montana students,” said Kelly Cresswell, SAF’s vice president of Foundation Activities. “Our state needs and deserves a well-educated work force and Circle of Success contributes to that.”

The Circle of Success scholarship program is near and dear to the hearts of SAF employees because it was originally funded solely through SAF employee donations. Today, SAF uses the proceeds from fundraising efforts and private donations to supplement the effort.

Student Assistance Foundation is a 501(c)(3) nonprofit Montana corporation that provides students with knowledge and tools to pursue and fund their postsecondary education. Funds generated by SAF are returned to Montanans in the form of education grants and public benefit programs - to date more than \$31 million.
