The following information describes the general nature of the position, the work to be performed, and the essential functions of the position. It is not to be construed as an exhaustive list of all responsibilities, duties, and skills required for the position. Nothing in this position description restricts the company’s right to change, assign, or re-assign duties and responsibilities at any time or for any reason. Individuals must perform these position responsibilities in a manner that aligns with the Company’s philosophy, mission, and values while focusing toward achieving the division’s goals.

Position Purpose:

Under limited supervision, this position works remotely and is responsible for providing outreach to high school students in defined priority locations on college and career awareness, using tools such as online career information systems, interest assessments, and occupational profiles. This position also provides education and assistance to students on scholarship options, and delivers instruction in a variety of formats and settings to best meet the needs of students within the geographic region served. As deemed necessary and as directed, position may provide technical assistance to grantees in communities which receive grant funding from RHM to increase local capacity to support more students pursuing education after high school. Responsible for integrating services with faculty and staff, promoting and recruiting for programs, and providing direct services to students. Provides outreach and support to educational staff, students, educators, parents and the community. Provides support and delivery for RHM’s student programs.
